OVERVIEW OF IMPORTANT DATA

Art.-Nr.	HG 0622
Power	48 Watt
Colour / Material	black
Cable length	280 cm
Packing dimensions (WxDxH)	34.2 x 8.5 x 5.0 cm
Gross weight incl. packaging	0.56 kg
Dimensions of the product (WxDxH)	28.5 x 3.0 x 3.3 cm
Net weight	0.45 kg
Display box	6 Pc.
EAN	4008146047640
Further special features	- Automatic shutdown: yes - On-off button: yes - Indicator light: yes

Product details

High-quality ceramic plates
The 24.5 x 110 mm ceramic coating ensures effortless gliding and shiny results with every styling.

Perfect adjustment with floating plates
The movable styling plates adapt to the hair structure so that the heat is distributed evenly.

Voltage adjustment worldwide
Thanks to 100-240V and 50/60Hz, the straightener is ready to go anywhere - perfect for stylish trips around the globe.

LED temperature display
The LED display offers full control from 130 °C to 230 °C - just as you need it.

Styling at up to 230 °C
With a maximum temperature of 230 °C, even thick and unruly hair can be styled perfectly in no time at all.

Lightning-fast heating
The powerful PTC heater reaches 150 °C in just 30 seconds - for styling without waiting.

360° rotatable cable with extra length
The flexible 2.80 m cable with practical hanging loop offers maximum freedom of movement - ideal for comfortable styling in any environment.

Ion technology for shiny hair
The ionizing function reduces frizz and gives your hair a radiant shine - for a professional finish.
