Product details

Multifunctional and time-saving
With 8 automatic programs, it's easy to prepare an entire main course in two drawers with different settings.

Healthy and energy-saving
For a versatile, healthier and faster preparation of food. No additional oil or fat is needed, as well as the preheating time (as with the oven) is eliminated.

For up to X kg of fries.
The hot air fryer offers enough space with 2x 3.8 L capacity.

Extra user friendly
Easy cleaning of the basket thanks to ceramic coating and additional automatic switch-off when pulling out the basket - inserts.
