Product details

Perfect curls with a 25 mm diameter
Defined waves or voluminous curls - the 25 mm curling iron creates your individual look.

Gentle styling thanks to ceramic coating
The high-quality ceramic coating distributes the heat evenly and protects the hair from heat damage.

Precise temperature & power control
Use the power switch to set the temperature and power individually for your hair.

LED display for perfect control
Three temperature settings (160 °C, 190 °C, 210 °C) - optimally adjustable for fine, normal or thick hair.

Quick heat-up for spontaneous styling
The curling iron is at styling temperature in just 60 seconds. Perfect when you need to style quickly!

Maximum styling power with 210 °C
Even with thick hair, the maximum temperature ensures long-lasting curls.

Ionic technology for silky shine
Reduces frizz, locks in moisture and leaves curls shiny and smooth.

Safety first - automatic switch-off
The curling iron switches off automatically after 1 hour - for worry-free styling.
