Product details

Customized cutting lengths with adjustable combs
Perfect results from 1–33mm for every hair length and style.

Powerful Li-Ion battery for long runtime
Fully charged in just 1.5 hours and can be used wirelessly for up to 60 minutes. Perfect for on the go and everyday use

Cordless freedom for flexible styling
Maximum freedom of movement with cordless operation – for precise haircuts without restrictions.

High-quality stainless steel blades
Durable, rustproof and particularly sharp for precise cuts without pulling.

Intelligent LED display for full control

Three LED lights show the charge level and operating status - so you always have an overview.

USB-C connection for convenient charging

Flexible charging thanks to USB-C cable - whether at home, in the car or with a power bank.

Perfect for on the go - with a practical travel lock!

Thanks to the Travel Lock function, you can lock the device by pressing the on/off button for just 3 seconds - preventing it from being switched on unintentionally.

Complete set

Including hair cutting scissors, attachments, cape, cleaning brush and storage bag
