

### FR 2490 Air fryer Black Line Flex

- For versatile, healthy and quick preparation without the addition of oil and fat - fast, healthy and energy-saving thanks to 360° hot air technology
- A large XXL cooking basket that can optionally be separated in the middle to prepare dishes with different cooking programs in two different cooking zones
- **Sync Cook:** Double your options! With Sync Cook, you can copy the settings from one basket to the other and prepare food in both baskets at the same time. Perfect for family meals or when guests are coming - faster, easier, better!
- **Sync Finish:** Sync Finish ensures that both baskets are finished 30 seconds apart. This gives you time to remove food from the first basket in a relaxed manner and serve everything fresh and hot - for maximum freshness and perfect enjoyment
- Intuitive touch operation with 11 automatic programs for optimum results
- Versatile applications for French fries, chicken, steak, vegetables, fish, frozen food, shrimps, barbecue skewers and cakes, for example. Incl. drying function
- Adjustable temperature from 60 to 200 °C for preparing a wide variety of dishes
