

WL 0241 SELF-ROTATING WARM AIR BRUSH

- **Glides perfectly through the hair and ensures shiny and voluminous styling results**
  Powerful 1,000 watt motor with two combined temperature and power settings and a cold air function for gentle hair care.
- **Simultaneous drying and styling of hair**
  Two additional attachments (40mm & 50mm) for total styling freedom.
- **With innovative 360° cable swivel joint**
  The movable mains connection simply rotates with the device during use and prevents annoying cable clutter.

- **Individual styling at the touch of a button**
  Adjustable left and right rotation for voluminous and sleek hair.
- **Ceramic keratin coating for healthy hair**
  The innovative technology ensures even heat distribution and protects your hair from heat damage while providing radiant shine and smoothness.
